What are your future chances?

You will be able to work in periodical publishing companies, Publicity Agencies, graphic design studios, or settle down on your own as a freelance for the illustration.

And if you decide to continue studying you can directly access Artistic Design Studies, Conservation and Restoration or glass, you can also go to the university to get these degrees:

- Education
- Fine Arts
- Arts & Humanities
- Journalism, Publicity and Public Relations
- Communication Studies

How do you access?

Directly

- Bachelor of Art
- Senior Technical Title (same professional area)
- Graduate in Arts (same specialty)

What will you learn?

You will learn to make illustration projects, from the ocreation of the original to the final print, using manual techniques such as pencil, pen, watercolour, acrylic, and basic software like Photoshop, InDesign, Illustrator, and other specific techniques of illustration, digital photography and animation.

With entrance exam

- Other high schools LOGSE, COU, FP2. (a specific test)
- Over 19 years without qualifications (two tests: general and specific)
