What are your future chances?

You will be able to work on a study of Interior Design, Architecture or Engineering, in a company of furniture and decoration, for official organizations, or settle down on your own as a freelance of interior design.

And if you decide to continue studying you can directly access to Artistic Design Studies, Conservation and Restoration also you can go to university to get these degrees:

- Education
- Engineering and Construction
- Architecture
- Fine Arts
- Arts & Humanities
- Journalism, Publicity and Public Relations
- Communication Studies

How do you access?

Directly

- Bachelor of Art - Senior Technical Title (same professional area) - Graduate in Arts (same specialty)

What will you learn?

You will learn to make interior design projects of private and commercial habitat spaces, from the creative process to its final graph representation, both artisticals (watercolour, pencil and pen sketches) as well as technique (Autocad, 3DSMax) and composition (Photoshop, InDesign, Illustrator) and solve the constructive aspects and facilities that correspond to interior work.

With entrance exam

- Other high schools LOGSE, COU, FP2. (a specific test)
- Over 19 years without qualifications (two tests: general and specific)
